Genom ett samarbete mellan LEGO och Swebrick så har denna unika konstruktion av Åhlens CITY huset möjliggjorts. Modellen består av mer än 15.000 bitar och över 100 minifigurer och det tog totalt 225 timmar för 24 personer inom Swebrick att designa, planera och färdigställa modellen..

LEGO Sweden AB

Swebrick är en registerad svensk LUG ("Lego user Group", Lego-användargrupp) med ett forum, samt en ideell förening för vuxna LEGO-entusiaster (AFOL, "Adult Fan of Lego"). Bland våra medlemmar finner du både Legosamlare, Legobyggare och Legohandlare i alla åldrar från 18 år och uppåt.
